

FUNDRAISING together we can help

Pink Ribbon Ride

Sue Morris, organizer of the "Pink Ribbon Ride" is pictured here presenting a check for \$11,700 to members of the Circle of Strength (COS) cancer support group of Charlevoix Area Hospital. This brings the total to nearly \$60,000 given to the COS over the past seven years by the annual ride. Charlevoix Area Hospital, through the COS, provides education and support to those with cancer and their families, as well financial assistance and free mammograms to those who cannot afford them. If you or a loved one is postponing an annual mammogram due to the expense, please call Kathy Jacobsen R.N., Community Health Educator for Charlevoix Area Hospital at 547-8906 or e-mail her at [kjacobson@cah.org](mailto:kjacobsen@cah.org).
