Bike4BreastCancer gifted the hospital foundation with \$11,700 to be used toward the Kathleen Jontz Breast Health

Fund. The ride experienced its best year ever with record total donations of \$30,823.95. For seven years now, proceeds from the Pink Ribbon Ride have been split between the foundations of Northern Michigan Regional Hospital and Charlevoix Area Hospital to be used toward breast health purposes. To date, the Pink Ribbon Ride has raised a total of \$154,743.22 and has donated more than \$60,000 to the Northern Michigan Regional Hospital Foundation.
